He has a gallery in the same space as his store and hosts private events for opening receptions and that kind of thing. LAPD has shown up on various occasions and given him a hard time for having people hanging out in the private alley and cited him for serving alcohol even though it's a private event.

Hi Randall,

Pskaufman (in the alley at Werdin and 8<sup>th</sup>) is having an event tonight. He's been having issues with LAPD and I had told him to contact you. Did you ever hear from him?

Thanks,  
Ariana
